

Ivanti believes in empowering our customers with the ability to manage their IT environment effortlessly. Doesn't it make sense that managing your own personal data be just as easy? This is why Ivanti is in full support of the General Data Protection Regulation (GDPR), which gives EU individuals more freedom to say how their personal data is handled. The new GDPR requirements provide an opportunity for Ivanti to better serve our customers and reaffirm that we are dedicated to data protection. We have carefully reviewed the requirements set by the GDPR, and are actively improving our products, processes, and contracts to ensure compliance with the GDPR by May 25, 2018.

If you have more questions about how Ivanti will be GDPR compliant, please reach out to [privacy@ivanti.com](mailto:privacy@ivanti.com). If you'd like to know how we can help you be compliant, please visit our website: [www.ivanti.com](http://www.ivanti.com).
