

IVANTI PURCHASE ORDER TERMS AND CONDITIONS

These Ivanti Purchase Order Terms and Conditions ("Terms") constitute the terms and conditions that apply as between the Ivanti entity identified on the purchase order ("Ivanti") and You ("Supplier") regarding the products and/or services ("Products") that are procured by Ivanti from Supplier under the purchase order ("Order"). Notwithstanding anything to the contrary, these Terms shall not apply to the extent that Ivanti and Supplier have agreed to other terms and conditions that govern Ivanti's purchase and use of the Products ("Supplier Agreement").

1. **ORDER ACCEPTANCE AND CHANGES TO ORDERS.** The Order is an offer to buy Products under the Terms. Ivanti's procurement of Products from Supplier is, except as otherwise outlined herein, expressly conditioned upon Supplier's acceptance of these Terms. Supplier's acceptance of the Order may be in writing, e-mail, fax, EDI or other manifestation of acceptance such as, but not limited to, Supplier's initiation of performance, or through Supplier's provision of any Products covered by the Order, or through Supplier's acceptance of any payment made pursuant to the Order, whichever occurs first. An accepted Order may be modified or cancelled by Supplier only upon prior written consent from Ivanti. Ivanti reserves the right at any time prior to delivery, in its sole discretion and without cause, to wholly cancel the Order or reschedule the delivery or performance of deliverables hereunder (or portion thereof), upon written notice to Supplier, at no cost to Ivanti. Further, Ivanti may issue written directions without prior notice modifying the quantity or type of Products prior to shipment, provided however, that Ivanti and Supplier shall review such requests, and if any such modification results in a material change to the Order, then the parties shall agree to an equitable adjustment in the price and/or other such provisions in the Order as may be affected, and the Order will be modified in writing accordingly. If an adjustment to a modified Order under this clause is requested by Supplier and cannot be agreed, then at Ivanti's sole discretion the original Order may be restored absent the modification, or may be cancelled, at no additional cost to Ivanti.
2. **PRICE, TAXES, INVOICING AND PAYMENT.**
 - a. **Price; Taxes.** The price for the Products will be as set forth in the Order. If price is not stated in the Order, the price will be Supplier's lowest prevailing market price. Supplier is responsible for and will pay all sales, use, excise and similar taxes applicable to the Products provided under the Order or the materials used in connection therewith, excluding taxes on Ivanti's net income ("Tax"). All prices quoted or payable for Products will be exclusive of Tax, and any Tax applicable to the Products will be separately stated on the Order or associated invoice.
 - b. **Invoicing and Payment.** Unless otherwise specified by Ivanti, Supplier shall invoice Ivanti for the Products only after Ivanti has received the Products (including ancillary services, if any). Unless the Order states otherwise, the terms of payment are net forty-five (45) days from the latter receipt of Supplier's valid invoice or receipt and acceptance of the Products by Ivanti. In the event Supplier has not received payment as agreed, Supplier shall notify Ivanti in writing and Ivanti shall make prompt payment of all undisputed amounts, provided however, that Ivanti may withhold payment of any invoiced amounts that Ivanti disputes in good faith upon written notice to Supplier, and the parties shall work in good faith to resolve any such billing disputes. Invoice payment will not be deemed to be final acceptance by Ivanti of associated Products.
3. **DELIVERY, CUSTOMS AND ACCEPTANCE.**
 - a. **Packaging.** Supplier shall be responsible for packaging, loading and shipping the Products in accordance with any packaging requirements set forth in the Order or otherwise communicated in writing by Ivanti. If no such specifications, methods or requirements are specified, Supplier shall be responsible for packaging, loading and shipping the Products: i) in a manner reasonably calculated to prevent damage and loss to the Products during shipment; ii) in compliance with all country of origin marking instructions and applicable regulations; and iii) not using premium transportation unless specifically authorized by Ivanti. Shipments must equal the quantity ordered (no partial shipments), unless otherwise specifically provided for on the Order of otherwise by Ivanti in advance in writing. Supplier shall provide a detailed packing list to Ivanti (which will be securely attached to the outside of each package) for all shipments, referencing the applicable Order number.
 - b. **Delivery, Risk of Loss, Title and Customs.** Unless otherwise specifically provided for on the Order of otherwise by Ivanti in advance in writing, Products will be delivered and title and risk of loss shall pass to Ivanti DDP (INCOTERMS 2010), at the place of delivery destination specified on the Order. Passage of title will not impair the right of Ivanti to inspect and reject any Product. Supplier shall bear all risks as to rejected Products after notice of rejection. Supplier will pay shipping costs for new products and for the shipping costs for any defective material returned to the Supplier. If any Products or materials in support thereof are imported into any other country in performance of an Order, Supplier will be responsible for all legal, regulatory and administrative requirements associated with any importation, as well as the payment of all associated duties, taxes and fees.
 - c. **Delayed Delivery, Cancellation and Substitute Product.** Time shall be of the essence for all deliveries. If at any time Supplier reasonably anticipates it will not meet such delivery date or schedule, Supplier shall promptly notify Ivanti in writing of reasons for such anticipated delay, and the estimated duration of the delay. If requested by Ivanti, Supplier shall ship such delayed Products by means to avoid or minimize delay to the maximum extent possible, and any added cost of such express or expedited shipping will be borne by Supplier. In addition to its other remedies, Ivanti reserves the right to cancel, at no cost to Ivanti, all or any part of any Order for Products (including unperformed ancillary services) undelivered by the dates specified in the Order. Further, if Supplier fails to deliver on time, Ivanti may purchase equivalent substitution Products elsewhere, and Supplier will be liable to Ivanti for the difference between: i) the actual and reasonable costs incurred by Ivanti to procure the substitute Products and ii) the Order price Ivanti would have paid to Supplier if Supplier had delivered on time for the equivalent Products.
 - d. **Inspection, Acceptance of Products and Substitute Product.** All Products are subject to final review, inspection and acceptance by Ivanti, notwithstanding any payment or initial inspections. Acceptance of Products will occur when Ivanti has inspected the Products delivered under the Order and determined they meet the requirements specified in the applicable Order. Ivanti shall make such inspection within a reasonable period of time (not to exceed forty-five (45) days) after the applicable Products have been delivered or services completed by Supplier, except for latent defects for which no time restrictions apply. If the Products do not meet requirements, then Ivanti may promptly (and in any event within thirty (30) days) require Supplier to: (i) repair, replace or re-perform the deficient or non-conforming Products; or (ii) return non-conforming Products to Supplier for refund of all fees that may have been paid by Ivanti for the deficient or non-conforming Products and those Products that are dependent on such deficient or non-conforming Products or services. Any corrected Products or services shall be subject to the same inspection and acceptance terms provided for in this Section. Inspection and acceptance of any Products or Services by Ivanti shall not affect Supplier's warranties. Further, if Supplier fails to deliver acceptable conforming Product and as a result the Order is rejected, Ivanti may purchase equivalent substitution Products elsewhere, and Supplier will be liable to Ivanti for the difference between: aa) the actual and reasonable costs incurred by Ivanti to procure the substitute Products and bb) the Order price Ivanti would have paid to Supplier if Supplier had delivered on time for the equivalent Products. The foregoing shall not be construed to limit or exclude any other rights or remedies of Ivanti at law or in equity.
4. **REPRESENTATIONS AND WARRANTIES.**
 - a. **Authority and Compliance with Laws.** Supplier represents and warrants that it is validly existing and in good standing under the laws of the jurisdiction of its organization and has the power and authority to enter into this Agreement.
