

Ivanti Partner Network – National Sales Provider (NSP)

For more than two decades, Ivanti has relied on relationships with trusted and innovative partners to grow and develop the business. Our program provides our partners with both financial and technical support needed to focus their efforts on driving growth within existing and emerging markets.

You know that demands on IT organizations are growing exponentially, with the explosive growth of endpoint, edge devices and the data they generate, cyber-security threats are reaching catastrophic heights.

When you join the Ivanti Partner Network, you are an extension of our own sales organization, access to people, tools and resources that are focused on driving your growth. Most importantly, you'll benefit from deep rewards and extensive benefits.

To be a National Sales Provider in our program, the partner must meet these minimum requirements:

- Company revenues of USD500M or greater
- National/Worldwide coverage
- 5,000 or greater customer base
- 250 or greater sales representatives
- Known company brand

Ivanti is focused on delivering an experience that drives high success, with people, tools and resources we are your guide growth. To deliver upon this, we believe that YOUR experience within our program should be at the core of our program. Join our program to realize some of these benefits!

Benefits of our National Sales Provider program:

- Dedicated Ivanti Partner Manager
- Access to MDF
- Access to Ivanti solution roadmaps
- Access to Ivanti solution demo/environments
- Sales & Technical enablement and certifications
