

Ivanti Partner Network – Public Sector Partner Program (PSP)

Available in North America Only

For more than two decades, Ivanti has relied on relationships with trusted and innovative partners to grow and develop the business. Our program provides our partners with both financial and technical support needed to focus their efforts on driving growth within existing and emerging markets.

You know that demands on IT organizations are growing exponentially, with the explosive growth of endpoint, edge devices and the data they generate, cyber-security threats are reaching catastrophic heights.

When you join the Ivanti's PSP Program you become an extension of our own public sector sales organization. You will have access to the people, tools, and resources that will enable you to help our government customers accomplish their mission. In the process you will have the opportunity to take advantage of our from deep rewards programs and extensive benefits.

Our objective is simple; to provide our PSPs with the platform and tools that will empower the bodies that govern, protect, and educate our country the capabilities to accomplish their missions.

- A portfolio of products that meet federal mandates and accreditations
